

Changfeng Is Awarded BS OHSAS 18001:2007 and ISO 9001:2008 Certifications

FOR IMMEDIATE RELEASE

October 25, 2011

Toronto, Ontario, 25 October 2011 – Changfeng Energy Inc., (TSXV: CFY) (“Changfeng” or the “Company”), is pleased to announce that Sanya Changfeng Offshore Natural Gas Distribution Co. Ltd., a wholly-owned subsidiary of the Company, has been awarded with certifications to ISO 9001:2008 Quality Management System Standard and to BS OHSAS 18001: 2007 – Occupational Health & Safety Management System Standard for its provision of natural gas and pipeline maintenance. These two standards which this certificate is awarded for are among the world’s most accredited certifications in the field of Quality Management as well as Occupational Health & Safety Management.

“As a pioneer in natural gas industry, we are committed to deliver quality service to our customers by improving our management systems and thus increasing our competitiveness,” stated Mr. Huajun Lin, Chairman and CEO of the Company, “These two awards provide further evidence to our stakeholders about our commitment to quality and reflect our ongoing commitment to health and safety management. The implementation of these two international standards will promote a safe and healthy working environment, and improve quality control and thus the overall performance of Changfeng.”

About Changfeng Energy Inc.

Changfeng Energy Inc. is a natural gas service provider with operations located throughout the People's Republic of China. The Company services industrial, commercial and residential customers, providing them with natural gas for heating purposes and fuel for transportation. The Company has developed a significant natural gas pipeline network as well as urban gas delivery networks, stations, substations and gas pressure regulating stations in Sanya City & Haitang Bay. Through its network of pipelines, the Company provides safe and reliable delivery of natural gas to both homes and businesses. The Company is headquartered in Toronto, Ontario, and its shares trade on the Toronto Venture Exchange under the trading symbol “CFY”.
