

Changfeng Enters Into a Joint Venture Agreement With Tangshan Caofeidian Development Investment Group Co., Ltd. for Natural Gas Business in China

July 20, 2015

Toronto, Ontario, July 20, 2015 – Changfeng Energy Inc. ("Changfeng" or the "Company") (TSX-V: CFY), is pleased to announce that Sanya Changfeng Offshore Natural Gas Distribution Co., Ltd., a wholly owned subsidiary of Changfeng has entered into a Joint Venture agreement with Tangshan Caofeidian Development Investment Group Co., Ltd. ("CFD Group") to jointly pursue liquefied natural gas ("LNG") trading, natural gas distribution, transportation, and related infrastructure construction.

The Joint Venture is named Caofeidian Evergrowth Energy Co., Ltd. ("Evergrowth" or the "Joint Venture") and is based in Tangshan City, Hebei province. The registered capital of the Joint Venture is RMB 200 million (approximately CAD \$41 million). Changfeng and CFD Group respectively own 50% each of the Joint Venture. RMB 40 million of funding for the registered capital is required within 30 days of incorporation; the remaining RMB 160 million is required within 10 years of incorporation. The registered capital is to be funded equally by Changfeng and CFD Group. Changfeng will fund its portion of RMB 20 million from its internal cash flows. Under the joint venture agreement, both parties of the Joint Venture agree to work with a third party to establish and operate an energy resource exchange in Northern China.

Tangshan Caofeidian Development Investment Group Co., Ltd ("CFD Group")

CFD Group is a state owned enterprise established in July 2007. The State Assets Management Office of Caofeidian Industrial Zone, which is responsible for the financing and investment of infrastructure and city operations, invested the initial capital for CFD Group. The current registered capital for CFD Group is RMB 4.139 Billion. CFD group owns 37 subsidiaries, which are involved in various industries such as real estate, tourism and hotels, logistic, road and railway, architecture, utilities, water treatment facilities, sea desalination, and telecommunication.

Caofeidian Industrial Zone ("CFD")

CFD is located in the center of the south coast area of Tangshan city, Bohai Bay, Hebei Province. The development and construction of CFD is a major strategic decision made by the State Council, and Provincial Government of Hebei in an effort to implement the national development strategies for energy and transportation, to adjust the productivity layout and industrial structure of the heavy chemical industry of Northern China.
